April is the month for National Library Week! Celebrate your favorite book by drawing a picture about it. It can be a character, event, scene or anything you liked about the book. Return the drawing to the librarian, and you'll receive a certificate for a FREE single scoop of frozen custard in a cake cone or dish to be redeemed at your participating neighborhood Culver's. You'll also be eligible to win a special prize in a random drawing at your library. You must be eleven or younger and may only submit one drawing.
