

Ebooks and Audiobooks on your iPad or other iOS Device

MADISON
PUBLIC
LIBRARY

Follow these simple steps to download the Overdrive app, authorize it with an Adobe ID, and check out EPUB ebooks and MP3 audio books!

Downloading and Authorizing the App

1. Download the free Overdrive Media Console app. The app can be found in Apple's App Store. Just search for "Overdrive Media Console."
2. The first time you launch the Overdrive app, you will be prompted to authorize with an Adobe ID. If you do not have an Adobe ID, tap the **Register at Adobe.com** button. This will open Adobe's website where you'll tap **Create an Adobe Account**.
3. Enter your email address, chosen password (must be entered twice), and then first and last name. Tap **Create**.
4. Return to the Overdrive app and authorize the app with the Adobe ID you just created. This is the only time you will have to authorize the app on your device. Once your app is authorized on your device, you will **not** need to log in with your Adobe ID each time you use the app.

Adding your library to the Get Books list

1. Tap the **Get Books+** button in the upper-right hand corner of the screen.
2. Tap the **Add a library** button.
3. Enter your zip code and click the **Search** button. Tap the name of your library to select it.
4. Tap the star next to the words **WiLS (Wisconsin Public Library Consortium)**. Congratulations! You have added the Wisconsin Public Library consortium to your Get Books list!

Getting books

1. Tap the words **Wisconsin Public Library Consortium** to go to the Wisconsin Public Library's Digital Download Center.
2. Before browsing for books, you'll want to sign in to the Digital Download Center. Tap the **Login** link in the upper right corner.
3. Tap the **[select library]** box in the middle of the screen and select your library system from the list (South Central Library System).
4. Enter the entire 14-digit barcode number on your library card and tap the **Login** button. You will be taken to your **Account** homepage.
5. Tap the **Browse** button near the top left corner of the screen. If, for example, you want to browse for ebooks, tap **Browse all Adobe EPUB eBook Titles**. You can search within these titles by author or title keyword. (Hint: To see only titles that are available immediately for download, tap to check the box next to the words Available Now and tap the **Submit** button. No need to enter any search terms!)
6. Once you've found a book you'd like check out, tap the **Add to My Cart** button that corresponds to the EPUB version of the ebook.
7. Tap the **Proceed to Checkout** button.
8. Select the loan period from the drop-down menu (7, 14 or 21 days) and tap the **Confirm Checkout** button.

9. Tap the **Download** button to begin downloading the ebook. Depending on the speed of your Internet connection, this can take anywhere from a few seconds to a few minutes.
10. The ebook should now appear in your Bookshelf. To view your Bookshelf, tap the **Bookshelf** button in the upper-right corner of the screen.
11. To start reading the book, simply tap the title.

Placing Holds and Checking out Items on Hold

If an ebook or audio book is not available for immediate download you may place a hold on it. Tap the **Place a Hold** button that corresponds to the EPUB version of the book. The first time you place a hold, you will be asked to enter your email address twice. Subsequently, the app will remember your email address.

When the item becomes available, you will receive an email notification. You have 3 days from the day of notification to check out the item before your hold expires. To check out and download a book that you have on hold:

1. Launch the Overdrive app and tap the **Get Books** button in the upper right-hand corner.
2. Tap the name of your library consortium that is saved on the Get Books screen. Yours should read **WiLS (Wisconsin Public Library Consortium)**.
3. If you are not already logged in, tap the **Login** link in the upper-right hand corner of the screen. Choose your library system (South Central Library System) and enter your full 14-digit library card number. Tap the **Login** button. (If you are already logged in, just tap the **My Account** link near the top of the screen)
4. Tap the **My Holds** link to view the items you have on hold. The item that is available to be checked out should appear on the screen. Tap the **Add to My Cart** button and then tap the **Proceed to Checkout** button.
5. Select the loan period from the drop-down menu (7,14 or 21 days) and tap the **Confirm Checkout** button.
6. Tap the **Download** button to begin downloading the ebook. Depending on the speed of your Internet connection, this can take anywhere from a few seconds to a few minutes.
7. The ebook should now appear in your Bookshelf. To view your Bookshelf, tap the **Bookshelf** button at the top of the screen.
8. To start reading the book, simply tap the title.

Returning eBooks

Ebooks and audio books checked out from Overdrive will automatically “expire” and become unreadable when their loan period is up. To return an ebook early, go to your Bookshelf and tap the small plus sign across from the title of the book. Tap **Return/Delete** and then tap the **Return then Delete** button. The title will disappear from your Bookshelf and become available for checkout by someone else.
