

Wisconsin's Digital Library at Madison Public Library

OverDrive is a library-purchased subscription to eBook, audiobook, music and video content. Madison Public Library, as part of the Wisconsin Public Library Consortium, has access to this shared collection. Using your library card, you can browse for titles to download to your computer or a variety of portable devices including MP3 players, iPods, iPads, Nooks, Kindles, and smartphones.

Online at >> <http://www.madisonpubliclibrary.org/databases/wisconsins-digital-library-powered-overdrive>

This resource is available at all subscribing libraries and remotely by customers with a subscribing library as their home library.

How Can I Use It?

To use the service, you'll need to install the [OverDrive Media Console](#). For eBooks, you'll also need [Adobe Digital Editions](#). Follow the steps on the [Wisconsin Public Library Consortium Quick Start Guide](#).
