Mango is an online language learning system that teaches real conversation skills for practical communication. Through fun and engaging interactive lessons, Mango makes learning a new language fast, easy and incredibly effective. As you listen to and repeat after native speakers, you'll learn more than just words and phrases. You'll learn how those pieces can be rearranged and combined to make new thoughts, new conversations, and even more practical communication! In no time at all, you'll be able to navigate all sorts of everyday situations — get directions, order a meal, make new friends — the possibilities are endless!
