**Scarf Dance**

* (Tune of Here we go Round the Mulberry Bush) *

Wave the scarf above your head
Above your head, above your head.
Wave the scarf above your head.
Now drop it on the ground.
Stretch your arms up to the sky.
To the sky, to the sky.
Stretch your arms up to the sky.
Now make a clapping sound.
Pick your scarf up off the ground
Off the ground, off the ground.
Pick the scarf up off the ground.
Now twirl and dance around.

**Scarf Play**

**Scarf Toss** (tossing the scarves in the air, while saying, “1,2,3 – wee!)

(From:  [https://yogibrarian.wordpress.com](https://yogibrarian.wordpress.com))

**Scarf Song**

* (Tune of The Farmer in the Dell) *

My scarf goes up. My scarf goes down.
My scarf goes around, around, around, around, around.
My scarf goes in. My scarf comes out.
My scarf flies about, about, about, about. about, about.

Craft:
Create yellow texture collages using the various yellow materials and big blue cardstock in the kit. There is also yellow paint, if you want to add an additional element to the art project!

Play Literacy:
Use the scarves in the kit to do some scarf dancing. Use the rhymes included in the “Fingerplays & Songs” section of this sheet.

Early Learning Tip:
Choose a color and go on a color walk – try to spot that color in as many places as you can! You and your child can each name the objects that you see. Extend the activity by writing down a list of all the objects you find. Your child might like to help write or “play write” this list!
